why punta cana?

Jet off to the tropical Caribbean city of Punta Cana for 3 days of sun, fun and let's not forget plenty of networking.

meetings & events venues

Network in style at the Paradisus Palma Real Golf Resort & Spa. Featuring 2,963 m2 of space for up to 700 people, and set amongst immaculately manicured lawns and tropical flora, we can think of worse ways to do business!

accommodation

As a leader on the Caribbean hotel scene, the Dominican Republic offers more than 75,000 rooms, including those at our glamorous, five-star host hotels: Paradisus Grand Cana and The Reserve at Paradisus Palma Real. Grand Cana offers a stunning selection of modern, fully-equipped suites, and The Reserve, with its abundance in tropical birds and flowers, prides itself on co-existing with nature.

culture

Fusing African and native Taino influences with their colonial Spanish influence, the Dominican Republic's culture is a delightful combination of delicious foods, music, family and religion. Locals speak predominantly Spanish with its own Dominican twist, and 70% follow the Roman Catholic faith. Whilst in 'DR', don't miss your chance to dance to merengue, taste pastelitos, and experience a carnival!

connections

Easily accessible, the country's seven international airports, serving 27 direct flights from the United States on a regular basis, provide convenient gateways to the island's top cities. Las Americas International, the largest airport, offers flights to destinations throughout the U.S., Caribbean, Europe, and South America.

activities

From casinos to award-winning golf courses, the country's meeting and convention hotels have much more to offer than boardrooms and ballrooms. And let's not forget that turquoise ocean, perfect for snorkelling, diving, sailing and watersports. Prefer to keep your feet on dry land? The island offers plenty of great group activities, from safari adventures and city tours, to rum tastings and, of course, nights out at the ever-popular Coco Bongo nightclub.

buyer testimonials

m&i was excellent...good suppliers, very nice accommodation and very good balance of meeting and optional activities. Significantly better than some similar programs.
